## Discover Tovertafel 2

### Discover the genius of play

We believe in the power of play. Whether it's breaking through apathy, increasing social interaction or physical activity or reducing restless or tense behaviour, play is the ultimate solution.

The unique Tovertafel 2 games provide more than just fun and wonder. They have a positive impact on the quality of life of people with cognitive challenges.

### What is the Tovertafel?

The Tovertafel projects interactive games and vibrant images onto a surface such as a table or floor. The varied games respond to the movements of the players and have one thing in common: they have a serious purpose besides providing pleasure and entertainment.
