

tover[®]
purposeful play

Would you like to help?

We are saving for a Tovertafel and we could use your help!

You can leave a donation in the amount of your choice via:

The beneficial effects of playing
The Tovertafel aims to create even more moments of happiness for residents with dementia.

With remarkable games that stimulate **physical activity** and **social interaction**, the Tovertafel helps improve the quality of life of our target audiences. This heartwarming care innovation has proven to be effective at every level.

Will you help us make our dream come true?
